

Big Day of Giving

Thank you for being such a dedicated member of the Friends of Folsom Parkways community.

Tuesday is nationally the Big Day of Giving. It is a global day of giving and unity, enacted as an emergency response to the unprecedented need caused by COVID-19.

Unfortunately, the current pandemic due to COVID-19 has required the cancellation of all of the usual fund-raising events for the Friends of Folsom Parkways.

Because there is a cost to join the national program the Friends of Folsom Parkways can not afford to be a part the national effort.

Even so we are here for you by disseminating information via our newsletter on how people can safely go outside on the parkway trails.

In this special edition of the newsletter we are asking for you to make a personal contribution to the Friends so we can continue to support the Parkways of Folsom. Any amount will help. You can do so by sending a check made out to: Friends of Folsom Parkways to Friends of Folsom Parkways, P. O. Box 1501, Folsom, CA 95763-1501 or go to <http://www.enjoyfolsomtrails.org/> to make a contribution.

Be well and stay safe.

Jim Kirstein
President, Friends of Folsom Parkways
